

Love is Ageless®

A RESIDENT-CENTERED CULTURE OF CARING

Six Dimensions of Wellness®

Love is Ageless®, American House's personalized memory care program, focuses on life-enriching experiences that encompass the Six Dimensions of Wellness®. Each resident is encouraged to participate to the best of their ability.

Our personalized plan offers five daily enrichment opportunities where residents are encouraged to participate in physical, mental and expressive activities. Our program helps residents feel secure, engaged and connected to their surroundings.

Our daily programming offers an opportunity to participate in:

- Two morning activities
- Two afternoon activities
- One evening activity

In addition, we provide non-scheduled opportunities for our team members and visitors to connect with, and engage our residents.
