Love is Ageless  [®]
A RESIDENT-CENTERED CULTURE OF CARING

It Matters to Us...

THAT YOU UNDERSTAND THE SIGNS OF DEMENTIA.

Does your loved one experience any of the following?

- Challenges in planning or problem-solving
- Difficulty completing familiar tasks at home, at work or at leisure
- Confusion with time or place
- Trouble understanding visual images and spatial relationships
- New challenges with language or writing
- Misplacing items and losing the ability to retrace steps
- Decreased or poor judgment
- Withdrawal from work or social activities
- Changes in mood and personality

Memory loss that disrupts daily life may be a symptom of Alzheimer's Disease or other dementias. Alzheimer's is a brain impairment causing a slow decline in memory, thinking and reasoning skills. Every individual may experience one or more of these signs in varying degrees. If you notice your loved one experiencing any of these symptoms, please see a doctor.

It Matters to Us...

THAT YOUR LOVED ONE IS HAPPY.

Experience our warm and welcoming environment at American House Senior Living Communities. We are committed to ensuring each of our residents living with the effects of dementia, Alzheimer's or other cognitive impairments, feel at home. Research has demonstrated that a loving, structured and familiar surrounding successfully fulfills the need of both the individual touched by the disease and their family.

American House's personalized Memory Care program, **Love is Ageless®**, is designed to help residents, throughout the stages of dementia, live and be cared for with compassion. Our specialized program creates a culture of caring for our residents, offering support to their loved ones while navigating the complexities of the disease. Our emphasis is on person-centered care. We focus on personalized relationships, meaningful services, and life-enriching programs that promote independence so our residents can live with dignity and respect.

It Matters to Us...

THAT YOU FEEL AT HOME AT AMERICAN HOUSE.

Love is Ageless[®], focuses on life-enriching experiences that encompass the [Six Dimensions of Wellness](#)[®]. Each resident is encouraged to participate to the best of their ability.

Our personalized plan offers five daily enrichment opportunities where residents are encouraged to participate in physical, mental and expressive activities. Our program helps residents feel secure, engaged and connected to their surroundings.

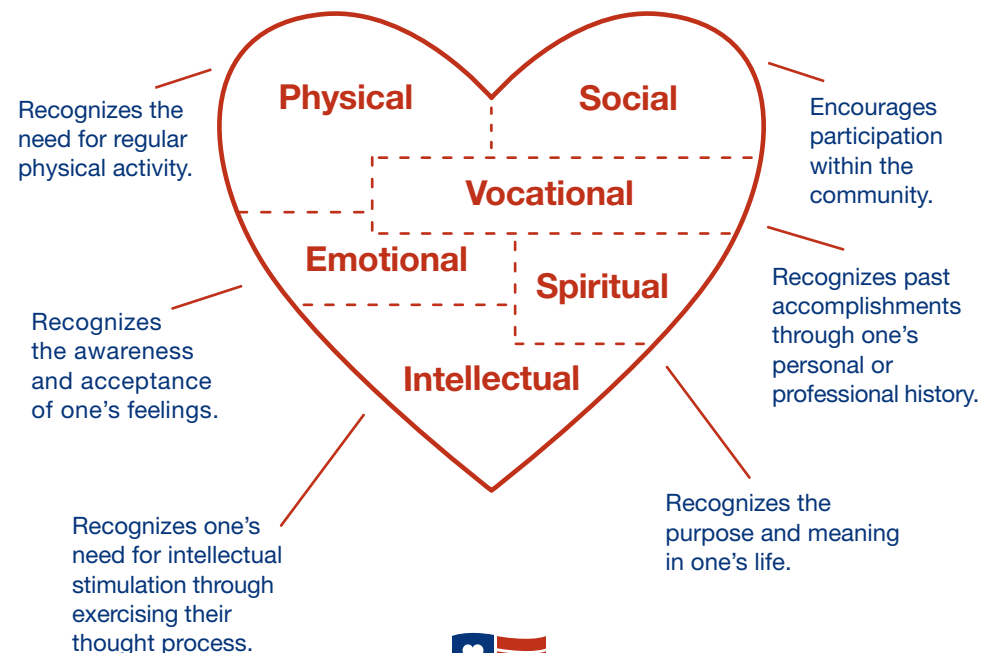

Our daily programming offers an opportunity to participate in:

- Two morning activities
- Two afternoon activities
- One evening activity

In addition, we provide non-scheduled opportunities for our team members and visitors to connect with, and engage, our residents.

Six Dimensions of Wellness[®]

It Matters to Us...

THAT OUR RESIDENTS RECEIVE HEARTFELT CARE.

Our personal care partners are selected based on their passion for working with those affected by dementia. They embrace the opportunity to know and understand your loved one as an individual. We believe this aspect of our program is a vital care component. Our goal for continuous communication with family members, enables us to gain further insight into each resident and their unique life story. This information is used to nurture and care for your loved one—our highest priority.

Through exceptional care and engagement programs, we can ensure our residents living with cognitive impairments live a dignified, respectable and purposeful life.

It Matters to Us...

THAT YOUR FAMILY HAS CARE CHOICES.

We welcome the opportunity to introduce you to our Memory Care Neighborhoods and our **Love is Ageless®** program. Our compassionate team will be happy to meet with you to help determine the right fit for your loved one. Please visit our community or contact us for a personalized introduction and tour.
