

YOUR STORY WILL CONTINUE. STRONGER THAN EVER.

American House offers both short- and long-term Respite Care. It's a practical interim solution for seniors and their family members coping with unexpected life events, wanting the best for those they love...making recoveries easier for the patients and family members alike.

Benefits of Respite Care

- Reduces the chance of hospital readmission
- Provides the healing comforts of home, while receiving care
- Scheduled transportation to appointments
- Care coordination with your medical team and family
- Access to à la carte services
- Custom care plans can be arranged

American House Senior Living Communities was founded in 1979 and has been committed to enriching the lives of those we serve and providing an environment that fosters meaningful relationships ever since. SENIOR LIVING COMMUNITIES

SOMETIMES YOUR STORY TAKES AN UNEXPECTED TWIST.

Rest. Renew. Recuperate.

If you need time to rest, renew and recuperate, American House has the ideal answer: **Our short- or long-term Respite Care services.**

Respite Care is right for seniors who need an interim solution to an unexpected life event. Whether it's getting your strength back after a hospital stay, recovering from surgery, or maybe your regular caregiver is out of town...our well-appointed, maintenance-free apartments could be just what the doctor ordered.

Let our compassionate team handle the day-to-day housekeeping, while our culinary staff prepares the meals. You take care of you and focus on healing and getting back to living life fully. At American House, you'll have access to many offerings including: physical therapy, health and wellness programs, transportation for appointments and the inspired programs designed to fit a variety of our residents' interests.

Typical room settings in a standard one-bedroom unit.
Floor plans vary by community.
